12<sup>th</sup> September 2017

Dear Resident,

I refer to my recent notification to you of 8<sup>th</sup> September concerning piling taking place to the rear of O'Reilly Avenue over the next number of weeks.

In advance of piling commencement the piling rig and crane to install it are being brought to site Wednesday and Thursday mornings of this week. As these are abnormal loads, they need to be brought to site at 6am both mornings; as this represents working outside normal working hours the contractor involved has applied for and been granted permission by Dublin City Council to deliver these loads at this earlier than usual time. Although the delivery happens prior to 7am, the equipment will be turned off until 7am once delivered. Every effort will be made to minimise any inconvenience to local residents.

As previously stated, there will not be any work taking place between the hoarding line and the rear of O'Reilly Avenue until further notice.

Apart from infrequent events such as this, Bam Civil confirm works will otherwise take place between the hours of 0700-1900 Monday – Friday and 0800-1400 on Saturday.

On a separate matter, as requested at the recent Project Monitoring Committee meeting, weed removal & treatment will take place this week along the rear boundary line of O'Reilly Avenue.

Should you have any questions please do not hesitate to contact the designated 24/7 resident's helpline service on 01-531 1110.

Regards,

Garry Keegan
