21<sup>st</sup> July 2017

Dear Resident,

Further to our notification of 10<sup>th</sup> July 2017, the hoarding has now been installed. As previously indicated, monitored motion detection CCTV security and movement monitoring is also in place.

There will not be any work taking place between the hoarding line and the rear of O'Reilly Avenue until further notice.

There is some redundant hospital equipment consisting of overground and underground tanks on-site which is due to commence being removed on 24<sup>th</sup> July 2017. A mobile crane and transport vehicle will be used to complete these works. The duration of these works is expected to last two weeks.

Bam Civil confirm works will take place between the hours of 0700-1900 Monday – Friday and 0800-1400 on Saturday (we advise that Saturday work will be kept to a minimum).

Should you have any questions please do not hesitate to contact the designated 24/7 resident's helpline service on 01-531 1110.

Regards,

Garry Keegan
