Steps between Old Kilmainham Road and Cameron Square

Dear Resident,

Works are progressing well on the new children's hospital site.

There will be some temporary alterations made this week to the hoarding at the top of the steps between Old Kilmainham Road and Cameron Square.

In order to make room for onsite piling works, a monitoring instrument needs to be repositioned to the top corner of the steps.

This work is only taking place at the top of the steps. It will slightly narrow (approx. 1m) the steps at this point, however, access for pedestrians will be maintained at all times. While the hoarding realignment is taking place, workmen will be available to ensure the safety of passing pedestrians.

For general enquiries related to ongoing construction activities please continue to contact the 24/7 Residents Helpline on 01 5311110.

Yours sincerely,

Garry Keegan

BAM Community Liaison
